

ARKONÇELİK

Your Projects, Our Solutions

ABOUT OUR COMPANY

Arkon Çelik specializes in the sale of steel pipes, offering a wide range of welded and seamless products including water pipes, galvanized pipes, natural gas pipes, boiler pipes, SRM pipes, structural pipes, profiles, pipe fittings, and rolled steel products. We also provide pipe export services and export-registered pipe sales.

With a team that has many years of experience in the iron and steel industry, we deliver the highest level of service to our customers through our in-depth product knowledge, strong understanding of market dynamics, and technical expertise.

We supply steel pipes primarily to the Anatolian and European sides of Istanbul, as well as to Kocaeli (İzmit), Gebze, Dilovası, Sakarya (Adapazarı) and throughout Turkey.

Arkon Çelik operates within the Gebze Güzeller Organized Industrial Zone (GGOSB) as an authorized distributor of Borusan Boru, Turkey's leading welded steel pipe manufacturer.

Our supplier, Borusan Boru, is one of the founding companies of the Turkish steel pipe industry and has a history dating back to the 1950s. It is one of the world's most established pipe manufacturers, with 11 production facilities across 3 continents, operating as a truly global steel pipe producer.

OUR VISION

Our aim is to create a better tomorrow by providing high-quality, sustainable, and customer-oriented solutions.

OUR MISSION

Our mission is to be a reliable and long term partner for all stakeholders in local and international markets and to provide special solutions with our high quality service for customer's needs.
